Certified General Accountants provide smart financial management to a wide range of businesses and organizations. They're trained to look beyond the numbers to give invaluable advice on efficiency, productivity, financial risk management and more. Recognized all over the world, the CGA designation is achieved through a combination of intense academic training and practical real-world experience. When you hire someone with a CGA designation, you can rest assured they're well prepared to do more for your business.

An investment that is ready to perform beyond expectations.

LEADERSHIP | EFFICIENCY | PRODUCTIVITY | SUSTAINABILITY | MANAGING RISK

CGA Ontario congratulates our newly accredited Certified General Accountants.
