Sudbury Chapter **December 2009**

Chair's Message

As Sudbury Chapter Chair 2009-10, I announce to you with great regret my resignation from the Sudbury Chapter Board. New ventures in employment have taken my family and I to another province. However I leave you with a very competent and reliable team and assure you that they will continue to assist with your needs as a member or as a student. Melissa Gouin will be your acting Chapter Chair for the remaining of the term.

I would like to thank you all for the great opportunities and the wonderful networking events that I was able to participate in over the years as a Sudbury Chapter board member and wish everyone of you the best in family, health and wealth!

Onward and upward!

Nikki Pilotte, CGA
Chair, Sudbury Chapter

Farewell

The board thanked Nikki for her devotion to the Chapter by handing her a gift subsequent to the PD dinner on November 17, 2009. We wish you all the best with your relocation to Thompson, Manitoba. You will be missed by all.

Near North Symposium

Huron, North Bay and Sudbury chapters held their Sixth Annual Near North Symposium on October 17, 2009. This annual tradition took place at the Quality Inn and Conference Centre in Parry Sound. The change of date, necessitated by the closure of a local establishment, impacted attendance which was at about half what it usually is. The 22 people in attendance were delighted with the speakers, and feedback has been awesome.

As a result of the delay in scheduling, this year's organizing committee lead by Nikki Pilotte, CGA, took it upon itself to immediately book the same venue for next year. Please circle the date of September 25, 2010, on your calendar and stay tuned for details to come next summer.

Education

When it comes to exams, nothing is more exciting than sitting on the invigilation side of the table for the first time. This past year, we've seen a mix of experienced and new CGAs answer the call to invigilate exams. The local chapter wishes to thank the following CGA members for giving their time:

September 2009: Elise Barrette, CGA
Ornella Coulombe, CGA
Linda Groleau, CGA

December 2009: Elise Barrette, CGA
Linda Groleau, CGA
Ornella Coulombe, CGA
Chris Arnew, CGA
Elizabeth Wabegjijig, CGA
Sheri O'Link, CGA
Gina Salvalaggio-Orban, CGA
