

Study Visa Applications

Dear prospective student:

Please thoroughly review the requirements and conditions listed below. This document must be signed, dated and attached to your Application for Enrolment form. A copy of your valid study visa must also be included.

- Enrolment in the CGA program of professional studies will be permitted to individuals holding a valid study visa that does not prohibit attendance or study with a professional association and/or organization.
- In addition to the academic and university degree requirements, the CGA program of professional studies has a work experience component required for certification. Students are expected to accumulate a minimum of three years of full-time acceptable practical experience in an accounting and/or finance related position prior to certification as a certified general accountant. At least one year of experience must be obtained in a senior level position in Canada.
- If a study visa expires prior to completion of the CGA program of professional studies, the individual will be required to present CGA Ontario with a valid renewal document(s) for continuance in the program.
- If a study visa expires and is ineligible for renewal, the individual will be required to withdraw from the CGA program without entitlement to a refund for course and/or administrative fees.
- Prior to receiving the CGA designation, an individual must obtain landed immigrant or Canadian citizenship status. Official proof of landed or citizenship status must be provided to CGA Ontario.
- All individuals enrolled in the CGA program of professional studies are required to make themselves aware of and adhere to all deadlines, regulations, requirements and policies that affect them as a student.

I, _____, understand and acknowledge the above outlined requirements/conditions for enrolment in the CGA program of professional studies as an individual on a study visa and declare the attached document is a true copy of my valid student visa. I further acknowledge that if any of the above requirements/conditions are not met, I will be required to withdraw from the program or admission to membership will be delayed or prohibited.
